IQ REMOTE

IQ Remote is a secondary panel that pairs with the IQ Panel 4, IQ Hub, IQ4 Hub or IQ Pro to deliver expanded control over your security system. With a secondary panel, you can arm and disarm your system away from the main panel, view sensor statuses, and take advantage of panel-exclusive features like chimes, emergency panics and a siren.

FEATURES

- 7" touchscreen with sleek, easy-to-read user interface
- Today's weather and 4-day forecast
- Photo frame screensaver
- Full Z-Wave control (lights, locks, thermostats, garage doors, etc.)
